POLICE FORCE,
(DETECTIVE BRANCH.)

Sir,
D.S. Schmidt reports that he saw Ettinger on April 18th at 9 p.m. on the North Szechuen Road with something bulky in his hip pocket.

Ettinger when he saw the D.S. got into a ricksha and went away in the direction of the Hongkew Park.

The D.S. asks for instructions as to whether he would be justified in searching Ettinger if he met him again under similar conditions.

Ettinger is not on the list of Germans registered at the Bureau of Foreign Affairs.

He is a Turkish Jew and has been until recently under the protection of the German Consulate.

Your Obedient Servant,

William Armstrong

Chief Detective Inspector.

Captain Superintendent of Police.
